

HAMMER & STEEL, INC.,)
)
Plaintiff,)
)
vs.) Case No. 4:18 CV 1240 CDP
)
SKY MATERIALS CORP.,)
)
Defendant.)

I have carefully considered the pending motion for sanctions, and believe that sanctions are not appropriate. I will remind the parties of the deadlines in the Case Management Order. I suggest that the parties seriously consider whether they can now settle this case. At this point both parties should have a fairly good understanding of what admissible evidence the other can present on summary judgment or trial, which should assist them in any settlement discussions.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE

Dated this 10th day of June, 2019.
